

ACADEMY OF EMERGENCY MEDICAL SCIENCE

Pine Forest High School

Home of the "Green Team"

Are you interested in a future career in medicine or health care? At Pine Forest High School, you can earn your certification as a Certified Nursing Assistant, Emergency Medical Technician, Pharmacy Technician, or Veterinary Technician before graduation.

The Academy of Emergency Medical Science at Pine Forest High School is a small learning community within the school for students interested in pursuing careers in medicine and health care. The course of study for Academy students integrates a variety of courses such as science, technology, and math curriculum.

The Academy of EMS is designed to integrate the learning of communication, technical and academic skills through real-world applications in pre-hospital, emergency settings or long term care patient settings. The curriculum focuses on developing the knowledge and skills necessary for success in post secondary school and/or in the 21st Century workforce. This is accomplished under the supervision of qualified nursing instructors, didactic lectures, skills practicum, job shadowing, and industry internships.
