

Academy of Engineering Technologies

Westover High School
277 Bonanza Drive
Fayetteville, NC 28303

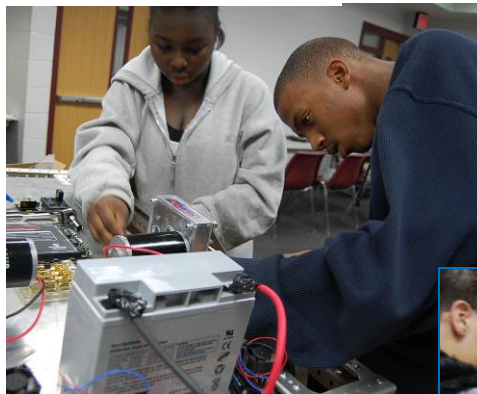

PROJECT LEAD THE WAY

PLTW

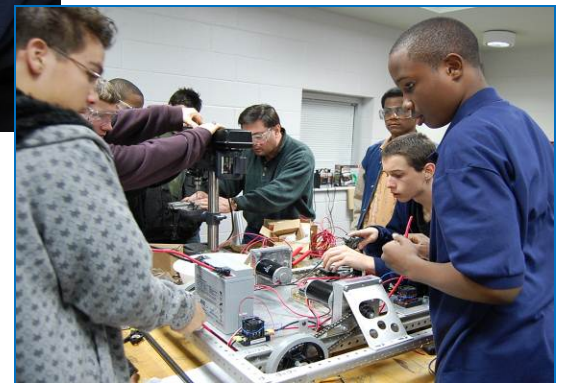

Courses Include:

- Introduction to Engineering
- Principles of Engineering
- Digital Electronics
- Computer Integrated Manufacturing
- Civil Engineering and Architecture
- Engineering Design and Development

Project Lead The Way is a pre-engineering curriculum, taught in high schools across the nation.

PLTW prepares students to excel in high-tech fields. Studies have proven that **PLTW** students become the kind of prepared, competent, employees our industry needs to remain competitive in the global market.

Students can earn up to 15 hours of college credit.
