What's WORKING in Career and Technical Education

CTE MONTHLY NEWS BRIEFS

[Visit our Website](#)

Chip Lucas SE Region Director of the Year

Congratulations to **Chip Lucas**, Executive Director of Cumberland County Schools Career and Technical Education, who was selected Southeast Region's Director of the Year on July 24, 2017 during the Career and Technical Education Summer Conference held in Greensboro, North Carolina at the Koury Convention Center.

Pictured on left is Chip Lucas with John Kirkman, NCDPI Regional Coordinator.

CTE Receives Outstanding Partnership Award

L-R: Accepting award are Carson Phipps, CTE Coordinator, Nore Brantley, High School to Work Partnership Coordinator, Taneka Williams, Career Pathways Coordinator, and Nedra Rodriguez, Workforce Development Director.

The Cumberland County Workforce Development Board presented Cumberland County Schools Career and Technical Education an **Outstanding Partnership Award** at their annual Recognition Luncheon held on July 12, 2017 at the Cape Fear Botanical Garden.

Cumberland County Schools Career and Technical Education develops opportunities for Cumberland County Schools students through Career Readiness Certification and the Science, Technology, Engineering, Math Summer Youth Internship Program co-sponsored by the City of Fayetteville and Public Works Commission.

Congratulations! Cape Fear High School Selected for Real Tools For Schools Grant

Cape Fear High School has been selected to receive a \$10,000 Real Tools For Schools grant from Ingersoll Rand. The Ingersoll Rand Real Tools for Schools program enhances educational opportunities for vocational high school students interested in automotive repair-related fields.

Todd Turlington is the Auto Technology instructor at Cape Fear High School.
